I submit herewith copies of my notes of Inspection of the accounts of the Sri Srikanteswara swamy temple at Nanjangud and the x x x x other cases of the Nanjangud Taluka. There are heavy arrears of quit amount outstanding with the lessees and the action taken for recovery is unsatisfactory. The financial position is however better as the temple has no deficit owing to the good collections from other sources during the half year ending 30th June. A statement showing the collections made during the year upto the date of inspection is enclosed for their perusal. The total collection in cash is Rs 9073-8-11 besides 32½ tolas of gold and 85¾ seers of silver collected in the golaka.

NOTES OF INSPECTION OF THE SRI SRIKANTESWARASWAMI TEMPLE AT NANJANGUD BY THE MUZRAI COMMISSIONER.

A surprise visit was paid to the temple on 10-6-50 and the undermentioned points were observed. Some of the Dharmadarsis, the Sub Division Officer and the Amildar were present.

Dharmadarsis.

The Committee of Dharmadarsis constituted on 10-7-1924 had not been meeting regularly and exercising effective control over the affairs of the temple. No meeting had taken place for the last six months. One of the Dharmadarsis had removed his residence from Nanjangud.

The Deputy Commissioner is requested to enforce the provisions of Rule 16 of the Rules under the Mysore Religious and Charitable Institutions Regulation 1927 and to take immediate steps for reconstituting the Committee. The question of having three Non-Brahmins on the Committee and of including the Amildar of the Taluk in the panel, so that meetings may be convened at regular intervals may be considered.

D.C.P.

A statement showing the D.C.P. of the gutta amount due to the temple is put up. A sum of Rs. 2564/- in cash and 281 pallas of paddy in kind are due, of which the Krishnarajapet Taluk alone has an arrear of Rs. 2446/- remaining to be collected. Steps should be taken immediately to recover the outstanding dues.

A. C.

An extent of 21-16 in S.No. 440 (breached tank) in Tanaya Village of the Kasaba Hobli, Nanjangud Taluk, belongs to the temple and it is stated to be very valuable, but it is not at present fetching any income.

The matter should be investigated and arrangements made for getting adequate income to the temple from this source.

Stone Mantap.

There is an old stone mantap behind the temple, which is rented out for Rs. 1-8-0 a month. It is a fairly big structure, which must have cost a good deal for its construction. It is bemmed in on all sides and there is no ventilation at all. The interior is dark and marshy. The roof is overgrown with rank vegetation. The question

granting the building to Dharmaprakasa Mr. D. Banumiah for pose of constructing a Choultry may be considered and definite posals may be submitted at an early date.

Srikantha Mandira.

It was understood that Srikantha Mandira is not fit for use as quarters by the Amildar. If so there is no necessity to force the Amildar to live there. The question of locating the Municipal Office there and earning some rent may be examined.

Golaka.

The collections for the last three years are:-

1927-28	R 1471-15-9
1928-29	R. 412-11-3
1929-30	R 2066- 7-5

There is abnormal difference between the figures of 1929-30 and those of the previous two years which must evidently be due to the pilfering that must have been practised for some time past owing to the laxity of the Peshkar and have eventually been detected. The possibility of such pilferings must be stopped. It would probably be desirable to make a rule that the Golakam should be opened every day at 12 noon as in Tirupathi by the Peshkar in the presence of one Dharmadarsi and the collections counted and sent up to the Taluk Treasury on the very day for credit to the funds of the Institution. The Golakam should be so constructed as to allow the coins &c., to get in but not to permit of their being extracted by any means without opening the lock. It is hoped that some such precautions are taken and strict scrutiny will be exercised so that no leakage is allowed to occur from this source.

Revision of Scale.

A number of superfluous appointments seem to exist. Probably they were fixed when grain was cheap and some of them seem to have outgrown their utility and at the same time the remuneration for some of the useful service is not adequate.

The proposals for the revision of the scale made by the Deputy Commissioner are under scrutiny in the Muzrai Commissioner's Office.

According to G.O. No.651-60/Muz.552-10-15 dated 17-9-1914, a

contribution of 6¼% or one anna in the rupee has to be levied on all puduvat Sevas of the value of Rs 50/- and upwards. The income of the proposed scale does not seem to take into consideration the probable amount that might be recovered on account of such contributions.

As the Institution has not got enough funds, the contribution from this source should be taken into consideration in computing the total income.

Jewels.

The undermentioned officers have inspected the jewels on the dates mentioned against each.

3- 3-30	"	Y. Srikantiah and Mr. T. S. Krishnaswami and Dharmadarsis.
6- 4-30	"	T. S. Krishnaswami, Amildar and Dharmadarsis.

General.

The precincts of the temple are dark in many places. Some arrangements should be made to provide for ventilators to admit of light and air as has been done in Melkote and Seringapatam temples without at the same time infringing on the sentiments of the devotees

Arrears of gutta on lands at Singanahalli and Jainahalli-Krishnarajapet Taluk - remission of -

In continuation of my letter No.H.523/32 dated 17th December 1932 regarding the arrears of gutta on lands at Jainahalli and Singanahalli belonging to Nanjangud Temple, I have the honor to forward herewith the correspondence ending with French Rocks Sub Division Officer's No. No. 646/32 dated 14th December 1932 and to state as follows:-

2- The lands at Singanahalli and Jainahalli comprising 27 Survey -- numbers have been leased out to 15 lessees for a period of 5 years ---- commencing from 1928-29 on an annual rental aggregating to Rs.1715/-. From the consolidated statement of D.C.B. for the last 4 years prepared by the Taluk Amildar which is in the records, it is seen that out of the total demand of Rs.6860/- for the last 4 years, a sum of Rs.5179-14-3 has been collected so far, and the balance outstanding recovery against the lessees noted in the D.C.B. statement is Rs.1680-1-9.

3. The lessee Lingaraje Gowda who had taken the lease of the ------ S.Nos. 67 71 73 & 80 originally noted S.Nos. for an annual gutta of Rs.276/- paid the amount fully for the first 3 years and died. For the 4th year, his widow paid half the gutta amount of Rs.138/- for 1931-32 and prayed for the remission of the other half namely Rs.138/- on the plea that she was a widow and the prices of grains had fallen -- down. She also presented a petition to the above effect at the time of Huzur Jamabandy of last year conducted by the Deputy Commissioner -- and it was ordered thereon that only half the gutta amount might be -- remitted from her in view of the low prices of grains and the other -- half reserved for remission.

4. Javaramaiha who has taken the lease of the originally noted ---- S.Nos. 55, 82, 108, 109, 110 and 111 lands has been complaining from the time of the sale of the lease, that S.No.109 containing 2 acres 19 guntas is unsuited for cultivation that only a small portion of it was cultivated during the first 3 years, that the land remained fallow during the 4th year, and that therefore the gutta due thereon might be remitted. The annual gutta on S.No.109 is Rs.55/-. The local officers state that the representation of the lessee is true, and recommend that half the amount namely Rs.27-8-0 may be remitted ~~on behalf of the lessee~~ ~~Rs.54-0-0 be remitted~~ on each of the first 4

ull as the land remained fallow.
~~fourth~~ year the Gutta may be remitted, works

as noted in the margin.

Half the Gutta for 4 years
at Rs.37-8-0 per year. 110/-

Total. Rs.165/-

Full Gutta for the 5th year 55/-

Dattaiya Bhau has taken the lease of S.Nos.64 and 68 has to pay an annual Gutta of Rs. 22/-. He has paid fully for the first 3 years and for the 4th Year he paid Rs.150/-. He has applied for remission of last Jamabandi for remission of the balance of Rs.70/-. The local officers have recommended remission to the extent.

4. The above three cases of remission recommended by the Mamlatdar Sub Division Officer amounts to Rs.375/-. The Sub Division Officer was asked to report as to whether the grant of remission in the case of the above three leassees would not create a precedent for other lessees claiming the same concession? He now reports that other lessees also deserve some concession in payment of rent in view of the loss for the last 3 years, but each case will have to be considered on its own merits separately, and not for the present the remission of Rs.375/- recommended by him may be sanctioned.

5. The cases of all the leases are hard and they deserve some concession in payment of rent in view of the fact that the Gutta was levied in cash when the price of paddy was high. Necessary action will be taken as each case is reported by the Sub Division Officer on its merits. I request that sanction may kindly be accorded to remission of Rs.375/- recommended by the Sub Division Officer.
